*Something as wonderful
as that first little kiss
you just can not forget...*

WHO IS HENRIËTTA?

Thinking about the Henriëtta, our Sauvignon Blanc/Sémillon blend, it's been a wonderful experience since the very first bottle was released. The maiden vintage Henriëtta received a Gold medal at the International Wine Challenge in 2009 and in 2011 the Henriëtta 2010 was named one of the Top 100 wines in the World by Wine Enthusiast Magazine.

The Bizoe Estalet and the Henriëtta also received 90 plus points in Wine Spectator and Wine Enthusiast respectively every year since these two wines were launched on the market. And with constantly incredibleratings in the Platter Guide (never less than a score of 4), these two wines have made this journey an unforgettable one so far.

Looking back, 2010 also saw the release of the Bizoe Tiny 2010, a beautiful straw wine sold out within the first three months of release. This impressive wine are only to be released in exceptional vintages, but the good news is that the Tiny will bebottled again later this year for the second time, due to the high demand on this gem.

It's been a while. Since we last spoke, Bizoe Wines, have had a vast number of success stories and I can't help to find myself reminiscing over the journey Bizoe Wines have had so far. We've come a long way and I can't wait for the next few years. Our story is but just beginning ...

At Bizoe Wines, high quality wines are part of our wine philosophy. 'Less is more' truly reveals what we believe in. Only small quantities of wine are on offer from simply the best selected grapes in the country to create the ultimate wine for yet another unforgettable encounter. Such as that very first kiss.

CREATING WINES FOR SPECIAL HOUSES?

Bizoe Wines has ventured into a new direction, making house wines. This year saw the making of a house wine for Kievits Kroon, a beautiful, tranquil country estate, known for its luxury accommodation, superb facilities, immaculate gardens, gourmet dining and wellness spa outside of Pretoria. Being a sought-after destination for those wanting to escape city life, or for corporates seeking a unique business experience, this was a perfect match for Bizoe creating something unique for Kievits Kroon.

Sun International, a resort hotel chain and casino destination from South Africa created by Sol Kerzner, probably best known for its Sun City Resort near Rustenburg in the North West Province, and specifically the Table Bay Hotel, Royal Livingston, The Palace at Sun City and the Maslow Hotel also put one of our wines on their tables as a house wine. What an honour!

And for those preferring idyllic luxury in a modern metropolis, we also took a little sunshine from South Africa to the Shangri La Yangong Hotel in Myanmar, putting a special South African creation on their wine list.

Bizoe Wines has not only excelled in competitions with excellent ratings for our wines, exports grew and we are happy to report that our wines can now be found in the USA, the UK, Germany, the Nederland's, Belgium, Switzerland, Dubai, Canada, Mauritius, China and Myanmar.

With the seasons changing ever so slightly and the days becoming longer, we are looking forward to a new and exciting vintage. Here's to Bizoe Wines and the journey we have had so far ... and the story still being written each and every day!
