Tiny

*Sweet and full of life, and not Tiny at all!
This wine should be enjoyed in small quantities*

Tiny, the nickname they gave my dad at Varsity, has always been an ironic choice. And as Jakobus Adriaan Neethling has always been a mouthful, the name sticks to this day. Naming this wine Tiny, has also its own sense of sarcasm: Bizoe's sweetest wine shall be named after ... a Dentist!

High quality wines are synonymous with our wine philosophy at Bizoe Wines. Small is better really reveals what we believe in. Only small quantities will be on offer from simply the best selected grapes in the country to create the ultimate wine to make for another unforgettable encounter. Our handcrafted wines are aimed at the premium market and will delight and impress with its delicate bouquet, ideal balance and fruity aromas.
